The Changeling (The Daughters of England Book 15) Philippa Carr

Three young women bound by ties deeper than blood are swept up in a web of intrigue and betrayal in this haunting gothic tale

Rebecca Mandeville arrives at Manorleigh with her mother amid rumors that Rebecca's politically ambitious stepfather may have murdered his first wife. Homesick for her native Cornwall, Rebecca feels she'll never belong at Benedict Lansdon's ancestral estate—a place haunted by the phantoms of past crimes. When tragedy strikes, Rebecca struggles to move on, and becomes inextricably linked to two young girls: her half-sister Belinda and an orphan named Lucie.

Teeming with scandal and murder, *The Changeling* is at once an atmospheric ghost tale and a gripping story of familial betrayal as powerful as the woman at its haunting center.
