Sally Wendkos Olds, Laura Marks M.D.

**The Complete Book of Breastfeeding, 4th edition: The Classic Guide** Sally Wendkos Olds, Laura Marks M.D.

*The Complete Book of Breastfeeding* is a recognized classic in its field. Now it's been completely revised and updated in a new fourth edition—non-doctrinaire, informative, and friendly, it is the most accessible and authoritative book, as much required reading for expecting and new mothers as a pregnancy guide and baby name book.

All healthy mothers should consider breastfeeding for the first year of a baby's life, according to the American Academy of Pediatrics, and this is the book that will help women give their babies the healthiest start possible. Written by Sally Wendkos Olds and a new co-author, Laura Marks, M.D., *The Complete Book of Breastfeeding, Fourth Edition* offers a comprehensive introduction to breastfeeding—how to get ready before the baby arrives; how to involve fathers and siblings; and the best diet and foods for mom. There are sections on dealing with problems at the hospital; extensive information on exclusive pumping (EPing); the best systems for giving supplementary bottles to a breastfed baby; the safest sleep scenarios for babies; breastfeeding in public, including laws affecting breastfeeding mothers. New data about preterm infants is presented, and special situations—multiples, breast cancer, overweight and large-breasted women, breast surgery, tattoos and piercings—are also discussed in detail. An expanded chapter on weaning features sections on breastfeeding past infancy. Also new is an appendix of online resources.

### **From reader reviews:**

#### **Walter Taylor:**

This The Complete Book of Breastfeeding, 4th edition: The Classic Guide is great publication for you because the content which is full of information for you who always deal with world and have to make decision every minute. This particular book reveal it facts accurately using great manage word or we can say no rambling sentences within it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but hard core information with wonderful delivering sentences. Having The Complete Book of Breastfeeding, 4th edition: The Classic Guide in your hand like keeping the world in your arm, info in it is not ridiculous just one. We can say that no reserve that offer you world throughout ten or fifteen second right but this e-book already do that. So , it is good reading book. Heya Mr. and Mrs. busy do you still doubt in which?

#### **Catherine Hudson:**

This The Complete Book of Breastfeeding, 4th edition: The Classic Guide is new way for you who has interest to look for some information since it relief your hunger associated with. Getting deeper you into it getting knowledge more you know or else you who still having little bit of digest in reading this The Complete Book of Breastfeeding, 4th edition: The Classic Guide can be the light food for you because the information inside this book is easy to get by means of anyone. These books acquire itself in the form and that is reachable by anyone, yeah I mean in the e-book form. People who think that in reserve form make them feel drowsy even dizzy this guide is the answer. So there isn't any in reading a publication especially this one. You can find actually looking for. It should be here for a person. So , don't miss that! Just read this e-book kind for your better life and knowledge.

#### **Johnny Sutton:**

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just little students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Complete Book of Breastfeeding, 4th edition: The Classic Guide can make you sense more interested to read.

#### **Jesse Eriksen:**

What is your hobby? Have you heard in which question when you got learners? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you also know that little person such as reading or as reading become their hobby. You have to know that reading is

very important and also book as to be the matter. Book is important thing to include you knowledge, except your own teacher or lecturer. You see good news or update about something by book. A substantial number of sorts of books that can you take to be your object. One of them is The Complete Book of Breastfeeding, 4th edition: The Classic Guide.
