The Decay of the Angel: The Sea of Fertility, 4 (Vintage International) Yukio Mishima

Yukio Mishima's *The Decay of the Angel* is the final novel in his masterful tetralogy, *The Sea of Fertility*. It is the last installment of Shigekuni Honda's pursuit of the successive reincarnations of his childhood friend Kiyooki Matsugae.

It is the late 1960s and Honda, now an aged and wealthy man, once more encounters a person he believes to be a reincarnation of his friend, Kiyooki — this time restored to life as a teenage orphan, T?ru. Adopting the boy as his heir, Honda quickly finds that T?ru is a force to be reckoned with. The final novel of this celebrated tetralogy weaves together the dominant themes of the previous three novels in the series: the decay of Japan's courtly tradition; the essence and value of Buddhist philosophy and aesthetics; and, underlying all, Mishima's apocalyptic vision of the modern era.

From the Trade Paperback edition.
