## **The Italian Puppet Theater: A History** John McCormick

This is the first full-length, English language study of Italian puppetry. Chapters describe Italy's rich puppet theater tradition through the end of the eighteenth century; the golden age of glove puppets, marionettes and pupi; commedia dell'arte and the puppet stage; the evolution of repertoires; music and spectacle; and changes during the twentieth century. Concluding chapters offer in-depth studies of two marionette companies, Turin's Lupi and Catania's Fratelli Napoli. Rich in photographs, the book includes 28 color plates.
