Che cos'è il commercio equo e solidale (Le bussole) (Italian Edition) Elena Viganò

Il commercio equo e solidale rappresenta una particolare forma di organizzazione delle relazioni commerciali che ha l'obiettivo di promuovere un processo di autosviluppo dei produttori delle aree più povere del mondo, attraverso il contributo dei cittadini dei paesi avanzati: un'alternativa concreta ai meccanismi di funzionamento del sistema economico-finanziario neoliberista che garantisce una distribuzione più equa della ricchezza generata dal commercio internazionale. Il volume illustra i principali aspetti del commercio equo e solidale, con particolare riferimento alla realtà italiana ed europea, evidenziandone criticità e fattori di successo.

I diritti d'autore sono stati ceduti
