Magick is a positive and active force that is one of the main draws of the various paths of Paganism, turning it into one of the fastest-growing religions in the world today. If you want to become a part of this movement, you need to get *Making Magick* by Edain McCoy.

This book starts with basic theory and technique. You will come to a full understanding of what magick is and how it operates. This is ideal if you are a beginner. Then when you're ready to go further, you'll learn about the traditional tools of the Witch and their uses. Then you'll learn how to design your own rituals and spells.

There are sample spells that you can do right away. But their main purpose is to show you how the design techniques work. You will also be given some basic astrological keys to enhance the timing of your rituals so they can become even stronger.

*Making Magick* goes further than any other book on Wiccan magick. It describes how to use the magickal elements: Air, Earth, Fire, Water, and Spirit. But it also goes deeper. Much deeper. For example, it shows you how you can use astral magick. This is the ability to make changes on the astral plane that result in changes on the physical plane. The powerful tattwa symbols, ancient Hindu keys which can be used for visualization, meditation, and as doorways to the astral plane.

This is a book that Wiccans will be talking about, and using, for years to come.
