## **Políticas Públicas e Ações Afirmativas (Portuguese Edition)** Dagoberto José Fonseca

As políticas públicas no Brasil sempre foram implementadas em benefício de uns e prejuízo de outros. Resgatando o passado histórico brasileiro da época do “descobrimento” até os dias recentes, o autor mostra que o Estado brasileiro deixou sistematicamente de lado negros e indígenas na constituição da sociedade democrática. Fonseca fundamenta, assim, a necessidade de ações afirmativas que resgatem a dignidade e a autonomia dos excluídos. Num momento em que nosso país depara com temas polêmicos, como o Estatuto da Igualdade Racial e as cotas em universidades, a Coleção Consciência em Debate pretende discutir assuntos prementes que interessam não somente aos movimentos negros como a todos os brasileiros. Fundamental para educadores, pesquisadores, militantes e estudantes de todos os níveis de ensino. Coordenação de Vera Lúcia Benedito.
