**This year, experience deep healing and refreshment.**

We're all sick and we're all hurting. Whether it's a broken arm or a broken heart, a chronic illness or wounds from our past, the fact remains: We are all in desperate need of God's healing. In our pain, it can be easy to believe God has forgotten about us, to believe that he doesn't even care.

Dr. Reggie Anderson, author of the acclaimed memoir *Appointments with Heaven*, knows it can't be predicted how God's healing work will come to pass in our lives and hearts . . . only that it *will*. As a country doctor who has had remarkable experiences attending people in pain, Reggie wants you to see what he sees every day—that whatever your sickness, whatever your hurt, God is alive and active in your life. He wants you to be truly well, even if that looks different than you might expect. Rich in story and inspiration, *The One Year Book of Healing* will reveal the many ways our Savior heals and intervenes in the lives of the sick and the hurting—giving you the faith, hope, and patience to believe that God can do the same in your life.
