Stand and deliver!

Incorrigible Jack Beaufort, Earl of Frensham, with a scandal at his heels, is taking an enforced sojourn in the country. He hardly expects to confront a highwayman in this quiet retreat. Or to discover, when he lays hands on the villain, a form that is undeniably female....

Should he unmask the daring Miss Lacey and hand her over to the law? Or follow his rakish instincts to take the law *and* that temptingly curvaceous form into his own hands?
