Vent'anni dopo: La parabola del berlusconismo (Contemporanea) (Italian Edition) Piero Ignazi

Se è vero che in questi vent'anni i grandi progetti della costituzione di un partito liberal-conservatore, della modernizzazione del paese, e della rivoluzione liberale sono tutti falliti, è altrettanto vero che il ventennio berlusconiano ha lasciato una impronta profonda nella cultura politica e nella politica tout court del nostro paese.

Vent'anni fa, la neonata Forza Italia di Silvio Berlusconi usciva vincitrice dalle elezioni del 27-28 marzo 1994. Non è stata una fiammata episodica. Anzi. Il periodo che ci separa da quella data, fondativa del nuovo sistema partitico, è marcato dalla presenza del Cavaliere. Ripercorrendo le vicende politiche di questo periodo - ma anche degli anni Ottanta, che ne costituiscono l'incubazione - Ignazi mette in luce le origini del berlusconismo, i modi e le ragioni del suo dispiegarsi lungo un ventennio, i suoi punti di forza e di debolezza. Berlusconi si è posto al centro della scena politica grazie alle sue risorse, soprattutto nel campo della comunicazione, all'innovazione dei contenuti e dello stile, e alla balbettante reazione degli avversari. Ma il contenuto "rivoluzionario" della sua irruzione sulla scena politica in che modo ha modificato il sistema politico italiano? E quali esiti ha avuto? Siamo alla fine della parabola?
