Martin Luther's life was too exciting not to be written for teens and younger readers! In this fast-paced, action-packed novel of Martin Luther's life, teen readers (and more than a few adults!) will be introduced to a fascinating time when princes ruled Europe and knights roamed the countryside. They'll learn about a time when powerful forces lined up against each other and believing the wrong thing could get you killed.

*When Lightning Struck!* is far more than just an adventure story, of course. It also tells a theological story. Drawing carefully from Luther's own words, this book introduces readers to a kindred spirit who struggled with what knowing God through Scripture means for daily life. They will understand what was at stake and how powerfully liberating Luther's idea of grace through faith was—in his time and in ours!

In crisp, enjoyable prose, author Danika Cooley conveys both the drama and the meaning of the Reformation for younger readers like no one before her!
