Yeah, I Said It

Wanda Sykes

Yeah, I Said It Wanda Sykes

Wanda Sykes reduces people to tears -- tears of laughter. She's done so as a stand-up comic, a sitcom star, and a sports commentator for years now, and in the process she's gained a huge fan base nationwide. Now that she's conquered television, she's applying her genius to her first book, *Yeah, I Said It*. Here, Wanda presents hilarious and uncensored commentary on sex, family, politics, celebrities, and much more than she could ever say in a sound bite.

But then again, she's a genius with a sound bite too. Here's what she says about men and football. "I used to think that football took place in this overbearing male-only environment that bled masculine domination. But the more I attend, the more I realize these football fans could actually be experiencing the straight man's gay pride parade. You see men painting each other's faces in bright colors. You see men proud to wear another man's last name on their shirt. You see some men wear no shirt at all....Hot wieners on every corner as you walk up to the main competition. Men open the back of their trunks for a little tailgating."

Here's what she says about women: "Women are taking stripper classes in hopes their men will stop going to strip clubs....You can't compete with those strippers....You gotta have...the stripper mentality. In other words, the ability to lie like a dog for a measly buck. A stripper will tell your man anything for a dollar. 'Oow, I thought you were Brad Pitt.' "

An uproarious and irreverent collection from one of today's foremost comedic talents, *Yeah, I Said It* is Wanda Sykes at her uncensored best. Here, she channels her sharp wit into funny bits on the truth as she sees it from the halls of government in Washington, D.C., to the red carpets and boardrooms of Hollywood. Imbued with her razor-sharp voice, these essays showcase Sykes's sidesplitting candor and her trademark brand of comedy.
