Country Danielle Steel

In this rich, involving novel from #1 *New York Times* bestselling author Danielle Steel, a woman's life catapults from the old to the new, as she learns to seize the moment.

Stephanie Adams is a devoted stay-at-home mother, married to a successful lawyer in northern California, in a dead marriage she stayed in for years for the sake of her children. Then, on a ski trip in Squaw Valley, her fifty-two-year-old husband dies suddenly and all bets are off.

Despite her children's grief, her own conflicting emotions and loneliness, Stephanie tries to move on, but struggles to find herself as an independent individual, after years of giving up her life for everyone else. A spur-of-the-moment road trip and fork in the road lead her to Las Vegas, the Grand Canyon, and a chance meeting - and her whole life changes forever.

She meets country music megastar Chase Taylor, who opens his whole world to her, and Stephanie is no longer the same woman, and can't be anymore. A new man. A new life. The excitement of Nashville. She discovers not only Chase, but herself. The music is bittersweet and the lyrics true in his dazzling, exotic and honest world.

As it deftly explores the complex ties between spouses, children, lovers and friends, and dances between the past and the future, Danielle Steel's moving novel brilliantly captures the shock of sudden loss, and the freedom it can bring. Here America's most beloved novelist shares the enduring power of seizing the day. *Carpe Diem.*

From reader reviews:

James Brady:

Information is provisions for individuals to get better life, information nowadays can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider whenever those information which is within the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take Country as your daily resource information.

Arthur Freeman:

The reason why? Because this Country is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will jolt you with the secret that inside. Reading this book close to it was fantastic author who write the book in such wonderful way makes the content inside of easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of advantages than the other book possess such as help improving your skill and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the book store hurriedly.

Jesus Curry:

Would you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you find out the inside because don't assess book by its handle may doesn't work the following is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer could be Country why because the great cover that make you consider about the content will not disappoint you actually. The inside or content is actually fantastic as the outside or cover. Your reading sixth sense will directly show you to pick up this book.

Michael Spicer:

This Country is brand-new way for you who has fascination to look for some information since it relief your hunger info. Getting deeper you upon it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this Country can be the light food to suit your needs because the information inside this book is easy to get by anyone. These books develop itself in the form and that is reachable by anyone, yep I mean in the e-book application form. People who think that in e-book form make them feel tired even dizzy this e-book is the answer. So there is not any in reading a e-book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss this! Just read this e-book style for your better life and knowledge.
