Hacktivismo: La Red y su alcance para revolucionar el poder (Spanish Edition) Santiago Siri

Años atrás, los grandes revolucionarios se veían obligados a llevar un arma de fuego en la cintura para impulsar sus cambios. Hoy el nuevo mundo se puede construir sin necesidad de pegar un solo tiro gracias a una poderosa arma de transformación: la red. Durante las últimas dos décadas, fuimos testigos del impacto de internet en la cultura, el comercio, la comunicación y muchos otros frentes. La revolución que la imprenta generó hace más de quinientos años hoy se está dando a un ritmo mucho más veloz gracias a la red. Y no es una fuerza que vaya a detenerse pronto: nada en la historia brinda tanto potencial para democratizar el poder. ¿Es posible hackear el sistema político? Santiago Siri, pionero de la tecnología, hace uso de su amplia experiencia para contarnos cuáles son las virtudes de internet y cómo podemos utilizar este extraordinario instrumento de cambio para pasar de la agitación a la construcción.
