In the world of publishing, few successes have equaled that of J. K. Rowling's Harry Potter series—magical stories centered on one boy's adventures at Hogwarts, a school for witchcraft and wizardry. Yet this popular series presents a perplexing—even divisive—challenge to the Christian community. Although the books present a clear picture of the epic battle between good and evil, they appear to support the use of magic and have had a controversial impact on our culture. As a result, many of us are wondering, "How should I respond to this Harry Potter thing?"

Find out what the Harry Potter books really say about witchcraft and wizardry.

Hear what Christians on both sides of the debate are saying about Harry Potter—and decide what you believe.
