Re: Service Pack 2 Warning

Please be aware that updating your Microsoft Windows XP operating system with Service Pack 2 (SP2) is known to cause issues with many existing applications, including Wiley CPA Examination Review versions 9.0 and 10.0. We highly recommend that if you plan to install SP2 on your Windows XP system, you do so before installing the CPA program (or uninstall the CPA application before installing SP2). If SP2 is already installed on your PC, you should not have any problems installing the CPA program.
