Diventare padre (Italian Edition) Fabio Barzagli

Che cosa succede davvero quando si diventa padri? Quali sono i primi cambiamenti che il miracolo più frequente e naturale del mondo genera nella psiche e nella vita quotidiana di un uomo? Quali sono i primi passi che un padre deve compiere per adeguare se stesso al suo nuovo ruolo? Deve assecondare in tutto il proprio istinto o deve porlo sotto il controllo della ragione? Moltissime domande si affacciano alla mente e al cuore di un neopapà: domande di carattere pratico, emotivo e filosofico generate dalla spinta rivoluzionaria che la nascita di un figlio imprime all'esistenza di chi diventa genitore, specie quando questo avviene per la prima volta, e alimentate dalla forza vitale – ma spesso anche un po' spaventosa – che il lieto evento sprigiona. Domande che non finiscono mai, neanche quando i figli crescono, superano la boa decisiva dell'adolescenza, e il rapporto si trasforma. Ma ovviamente di essere padre – così come di essere figlio – non si smette mai. In questo libro non si dà per scontata nessuna risposta, accompagnando in modo semplice e diretto tutto il percorso della paternità, nella convinzione che il mestiere di padre, il più bello e difficile che un uomo possa trovarsi a fare, si può e si deve anche imparare.
