Christopher Alam's life and ministry have been filled with one adventure and miraculous event after another. *Out of Islam* traces the adventures of Alam as a young Pakistani convert to Christianity from a traditional Muslim family to his emergent worldwide evangelistic and healing ministry.

With his father being a devout Muslim and lifelong military officer who once trained fighters alongside Osama bin Laden, and his mother an India-born performing artist, Alam knew a privileged life that few experience.

After Alam's conversion, his father had him arrested and sought to have him beheaded for betraying the family faith. Through a series of miraculous events, Alam ultimately escaped to Sweden, where he met and married his wife, Britta.

Together they have launched their ministry, which has been praised by evangelist Reinhard Bonnke, the late Kenneth E. Hagin, and Ray McCauley. Alam has preached in more than sixty nations, with millions making firsttime decisions for Christ and hundreds of new churches started.

This book will encourage the hearts of readers to rise above hardships and move into the supernatural manifestations of the Holy Spirit, while offering faith lessons for evangelists.
