"Darkly funny and sexy-literary escapism at its finest." -Independent

By day, Petra Flint is a talented jeweler working in a lively London studio. By night, she's a sleepwalker troubled by a past she can't put to bed and a present that leaves her clinging to an unsuitable boyfriend. Arlo Savidge was once a budding heartthrob musician. Then tragedy struck and he chose to forsake stardom and all future affairs of the heart for a quiet life in the countryside as a music teacher.

Petra and Arlo haven't seen each other since they were teenagers-when their feelings ran deep but the timing wasn't right. Now, seventeen years later, they run into each other once more. Might first love get a second chance-or will what keeps them up at night keep them apart forever?
