Reading Zadie Smith: The First Decade and Beyond

Reading Zadie Smith: The First Decade and Beyond

Since the publication of *White Teeth* in 2000, Zadie Smith has become one of the most popular contemporary writers and also one of the mostly widely studied. Taking criticism of Smith's work beyond its traditional focus on postcolonialism and multicultural identity, *Reading Zadie Smith* brings together leading international scholars to open up new directions in criticism of Smith's work.

Covering such key topics as posthumanism, 'hysterical realism', religion, identity and ethics, this book brings together a full range of current critical perspectives to explore not only Smith's novels but also her short stories, her criticism and her non-fiction writing.
