## **The Oswald Code: The Secrets of Oswald's Address Book** Mr. Alan Jules Weberman

Oswald's address book proved to be one of the keys to the Kennedy assassination. He was suspicious of his associates and steganographically encoded in their names in his address book. In order to decode the entries I obtained color photos from the NARA and scanned them using high res: Cuban exile Nazi Party leaders the Novo Brothers, Watergate burglar Frank Fiorini Sturgis, Pedro Diaz Lanz, former head of Castro's airforce, all named by Marita Lorenz as being in a caravan headed from Miami to Dallas. E. Howard Hunt (who confessed on his deathbed to being involved in the "Big Event"), David Christ, a former prisoner of Castro and CIA Technical Services officer, Sam Kail, who was a CIA agent who discovered that the Soviets had nuke missiles in Cuba, a floor plan of Gen. Walker's home who Oswald shot at, the words "gun 22," David Atlee Phillips who was seen with Oswald by Antonio Veciana, James Angleton, his Deputy Ann Egerter who opened Oswald's 201 file even though she was a mole hunter, words re U-2 dump (Oswald gave Sovs info to shoot down U-2 and sabotage upcoming Summit) "new height special" "tail span" Bernardo De Torres, former Bay of Pigs POW and head of BOP brigade, Carlos Bringuier and the time and place Oswald was to confront him so that Oswald could get some ink for his anti-Castro activities to be used as bona fides, Orestes Pena who said he saw Oswald with FBI Agent Warren C. DeBrueys whose name was also found. Spas Raiken who met Oswald when Oswald re-defected. There were the names of CIA agents working in the USSR, Ukrainian nationalist leaders, the initials MVD on and on. The book also contains photos I had the NARA develop from a roll of Minox film found among Oswald's possessions. One was a photo of Oswald another showed Hemming with a Huk in a garrote at Subic Bay. Hemming told this researcher that him and Oswald went Huk hunting together. The name of Hemming's anti-Castro group, INTERPEN is in the address book. The book document's Ruth Paine, who babysat Oswald in Dallas connection to James Angleton. The book also refutes the FBI's lies that the mystery tramps who were picked up after the Big Event had been ID'd as there were two sets of three tramps picked up that day. I only wish Senator Richard Schweiker and Congressman Henry Gonzalez, both of whom employed me to study the Kennedy assassination, were alive to see this book. Oswald played down the importance of the address book after the Big Event. I can see why....this address book is like Oswald being resurrected and pointing at the men who set him up as the patsy is a Coup D'Etat in America!
