Theory and Practice of Group Counseling (with InfoTrac) (Available Titles CengageNOW) Gerald Corey

Best-selling author, Gerald Corey's unique, clear and straight forward writing style is once again reflected in **THEORY AND PRACTICE OF GROUP COUNSELING**. This new edition provides students with an in-depth overview of ten group theories and also illustrates how to put these theories into practice. Students learn about group process, applications to the stages of a group and also learn how to apply group counseling to multicultural, ethical, school and time-limited contexts. The new edition in combination with the student and instructor supplements, now more than ever, equips students to not only learn theory but also put it into practice by utilizing case examples, reflective exercises, video demonstrations and quizzing.
