## **Wedding Wish** Loree Lough

Stage IV cancer patient Leah Jordan has only a short time to see her last wish fulfilled—she wants her two best friends from childhood to marry and become the adoptive parents of her beloved two-year-old daughter, Fiona. The threesome was inseparable throughout high school, but they’ve since gone their separate ways: Jade Nelson is a dedicated nurse who recently broke up with a longtime boyfriend, and Riley Steele is a veterinarian who has sworn off women and marriage alike. With time running out, will there be a wedding and will little Fiona have a loving home?
