From Book 1: First in a new series from an award-winning author featuring "two characters you'll never forget." (Carly Phillips, *New York Times* bestselling author)

With every beat of the heart comes a memory of what could have been...

Ten years ago, Cole Covington was just another rich kid who got everything he wanted--including young and trusting Mia Galdon. Then one night everything changed, and two hearts were shattered. Cole buried his guilt in the military, where love was just part of the past. Now Cole has come back home, emotionally damaged, guarded, and unprepared for what's waiting for him...

At the urging of Cole's sister, Mia has returned to the Covington family's coastal home in Wilmington as a private nurse to help Cole recover. With her uncertain personal life at a crossroad, Mia doesn't have the luxury of saying no to the job. And she soon finds out that the attraction is still alive. So are memories of betrayal. But Mia will discover more than the power of resilience. She'll discover a secret Cole has held for years, one that will force them to confront the past and give new meaning to letting go, forgiveness, and a future worth fighting for.
