Becoming A Truck Driver: The Raw Truth About Truck Driving Brett Aquila

www.truckingtruth.com Trucking schools can teach you to drive, but nobody's there to teach you everything else. This book is a no-holds-barred, call 'em as I see 'em account of what I went through when I decided to become a truck driver. I hope to shed some light on what the trucking industry is REALLY like, with no hidden agendas and no regrets. I have absolutely loved my years on the road. The experiences, the friends, the money, the challenges, and the freedom. "There are so many things to know if you want to be successful on the road and they take years to learn. I'm talking about things they don't teach in truck driving schools and things companies don't talk about..at least not honestly. There are "grey areas" and "unwritten rules" in the trucking industry that have a major impact on your life and your career - and only time on the road will reveal the realities of becoming a truck driver....." - Brett Aquila, Author - "Becoming A Truck Driver: The Raw Truth About Trucking"
