Christopher Fry

**Fry: Plays Two (Venus Observed; The Dark Is Light Enough; Curtmantle): 2 (Oberon Modern Playwrights)** Christopher Fry

Includes the plays *Venus Observed*, *The Dark is Light Enough* and *Curtmantle*

This volume of Christopher Fry's original stage work concludes his 'Season Plays' with *Venus Observed* ('Autumn') and *The Dark is Light Enough* ('Winter').

In the first of these, commissioned by Laurence Olivier, a confident but ageing duke asks his grown-up son to choose a new wife for him. Written with a superbly light touch, this is a surprisingly reflective play about love, power and forgiveness.

*The Dark is Light Enough*, set during Hungary's revolt against Austria in the 1850s, concerns an imperious, inscrutable aristocrat who seems prepared to sacrifice family and household for the sake of her daughter's scapegrace ex-husband.

Also included is Fry's biographical play about King Henry II, *Curtmantle*. Working with the 'epic' theatrical style of the time and utilising a new, leaner verse language, Fry captures Henry's energy, quick wit and quick temper, his relationship with Thomas Becket - Chancellor and friend, Archbishop and enemy - and his ultimately tragic struggles with his four ambitious sons
