## **Iditarod Adventures: Tales from Mushers Along the Trail** Lew Freedman

In IDITAROD ADVENTURES, mushers explain why they have chosen this rugged lifestyle, what has kept them in long-distance mushing, and the experiences they have endured along that unforgiving trail between Anchorage and Nome. Renowned sports writer Lew Freedman profiles 23 mushers—men, women, Natives, seasoned veterans, and some relatively new to the demanding sport, many of whom are so well-known in Alaska that fans refer to them only by their first names. The book also features interviews with administrators who organize the event and make sure it happens every year, volunteers, and others whose connection to the Iditarod is self-evident even if they don't have an official title.
