Last Chance Hero (A Place to Call Home Book #4): A Novel Cathleen Armstrong
What happens when your heart is intercepted before you even know it's in play?

The folks in Last Chance, New Mexico, could not be more pleased. Dr. Jessica MacLeod has opened an office right on Main Street and Andy Ryan, the best athlete the little town ever produced, has come home from the NFL to coach the high school football team. Unfortunately, Dr. Jess immediately gets off on the wrong foot with this football-obsessed town when she admits that she's never seen a football game, isn't really interested in doing so, and in fact doesn't know a first down from a goalpost.

Despite having little in common, Jess and Andy find themselves drawn to each other. But when a disagreement over the future of an injured player puts them both on the defensive, it begins to look like this game is over . . .
