## The Best of The Reformed Journal

For four decades, from 1951 to 1990, *The Reformed Journal* set the standard for top-notch, venturesome theological reflection on a broad range of issues. With a lively mix of editorial comment, articles, and reviews, it addressed topics as diverse as the civil rights movement, feminism, the Vietnam War, South African apartheid, the plight of Palestinian Christians, and the rise of the Christian Right, all from a Reformed perspective. In this anthology James Bratt and Ronald Wells have assembled select pieces that exemplify the *Journal's* position at the cutting edge of thoughtful Christian engagement with culture.
