Wouldn't all of us like an occasional peek into the future-to see if that blind date's going to flop or fly, to make the right decision about an important career change, to choose the right school for our children? Unfortunately, today's world is such that the only thing on which we can depend is change. But the good news is that we can learn to awaken and empower our natural divinatory abilities and get a better perspective on life's perplexities.

The Kitchen Witch's Guide to Divination shows you how. It explains what divination is, how it works, and how to choose or design divination systems successfully. Once you have a clear understanding of this concept, you'll examine some home-based, handy divination methods that are simple to learn and utilize, whether you're in the kitchen, backyard, office...or even on the road.
