Le Pinard des Poilus (SAVOIR) (French Edition) Fillaut Thierry

Père la Victoire pour les uns, vecteur de dépendance alcoolique pour d'autres, le pinard, servi comme boisson hygiénique et complément alimentaire pendant la Première Guerre mondiale, a fait l'objet de débats passionnés et enfiévrés au cours et à l'issue du conflit. Qu'en était-il de sa distribution au front ? Quelle place occupait-il dans le quotidien et l'imaginaire des poilus ? Des récits de combattants aux avis des médecins en passant par le théâtre ou l'image, les documents retenus dans ce recueil témoignent de la complexité du regard porté sur ses bienfaits et méfaits en 1914-1918. Ils montrent également que les connaissances scientifiques d'une époque donnée, prises aux jeux contradictoires de l'économie et de la morale, peuvent induire des politiques et des actions porteuses d'effets pervers.
