Mexican Anarchism after the Revolution Donald C. Hodges

Formal anarchist organizations disappeared in Mexico after the 1910 Revolution, but anarchist principles survive in the popular resistance movements against the post-revolutionary governments. In this book, Donald Hodges offers the first comprehensive treatment of the intellectual foundations, history, politics, and strategy of Mexican anarchism since the Revolution.

Hodges interviewed leading Mexican anarchists, including Mónico Rodríguez Gómez, and gained access to documents of numerous guerrilla organizations, such as the previously missing "Plan de Cerro Prieto." Using both original and published sources, he shows how the political heirs of Ricardo Flores Magón, Mexico's foremost anarchist, agitated for workers' self-management and agrarian reform under the cover of the Mexican Communist party, how they played an important role in the student rebellion, and how, in the face of a labor movement that has come under government control, anarchism is currently experiencing a rebirth under another name.

From reader reviews:

Victor Banister:

What do you ponder on book? It is just for students because they're still students or it for all people in the world, exactly what the best subject for that? Simply you can be answered for that concern above. Every person has distinct personality and hobby for every single other. Don't to be pressured someone or something that they don't would like do that. You must know how great and also important the book Mexican Anarchism after the Revolution. All type of book could you see on many resources. You can look for the internet sources or other social media.

Deborah Wilkerson:

As people who live in the particular modest era should be upgrade about what going on or data even knowledge to make all of them keep up with the era which is always change and move forward. Some of you maybe will certainly update themselves by reading books. It is a good choice for you but the problems coming to a person is you don't know what kind you should start with. This Mexican Anarchism after the Revolution is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Jesse Ward:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Mexican Anarchism after the Revolution can make you really feel more interested to read.

Antonio Ritchie:

What is your hobby? Have you heard that will question when you got pupils? We believe that that concern was given by teacher to the students. Many kinds of hobby, All people has different hobby. And you know that little person similar to reading or as examining become their hobby. You should know that reading is very important and book as to be the issue. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You find good news or update concerning something by book. Different categories of books that can you decide to try be your object. One of them is actually Mexican Anarchism after the Revolution.
