Sewn Product Quality: A Management Perspective

Doris H. Kincade

Sewn Product Quality: A Management Perspective Doris H. Kincade

Sewn Product Quality: A Management Perspective takes complex industry-specific terminology and processes and explains them with pictures and text that is relevant to today's market. The book discusses all aspects of quality, devoting separate sections to materials and processes and focusing specifically on the new consumer-centric business environment. Taking a managerial perspective, it presents definitions, techniques, and standards unique to the sewn products industry and shows how to impact quality throughout the design, production and delivery process.
