Work and Disability: Issues and Strategies in Career Development and Job Placement

Work and Disability: Issues and Strategies in Career Development and Job Placement

Now in its second edition, this book presents the latest theories, concepts, issues, and practices related to the career development of people with disabilities. You'll get the most recent developments in legislation affecting employment, the business perspective on disability, occupational and labor market information, and much more. This text is essential for rehabilitation and vocational counselors, as well as for educators and researchers. In addition, Work and Disability is ideal for use in graduate and advanced undergraduate courses. Help individuals with disabilities understand the complex nature of work not only to attain and maintain work, but to help define themselves and their place in society.
