Animal Communicator's Guide Through Life, Loss and Love, The Pea Horsley

'He was just a pet,' people sometimes say, and yet our animal companions are so much more to us than this, and we may feel we have nowhere to turn when faced with their loss. Millions of people have sought answers to questions like 'What happens to animals when they die?' 'What is life like for them on the other side?' and 'Will they ever come back to me?' Now, for the first time, internationally renowned animal communicator Pea Horsley shares ground-breaking true stories which reveal animals' thoughts and feelings on life, death and life after death. By hearing their views, we come to understand that animals are spiritual beings and great teachers, and that we are all connected. This collection of inspirational tales is woven together with Pea's moving story of her own dog, Morgan, and his physical struggle, his awareness of the right time to go and his insights and support from beyond the grave.
