## **Instilling Religion in Greek and Turkish Nationalism: A "Sacred Synthesis" Grigoriadis**

The first comparative study to examine the role of religion in the formation of Greek and Turkish nationalisms, this book argues that the shift to an increasingly religious paradigm in both countries can be explained in terms of the exigencies of consolidation and the need to appeal to grassroots elements and account for diversity.

Palgrave Pivot publishes peer-reviewed research at lengths between the journal article and monograph. Liberating scholarship from the straightjacket of traditional formats, Palgrave Pivot allows works to be published in the format and length best suited to the work itself, within 12 weeks of manuscript acceptance.
