Slicko-Ricko's Advertising Agency claims they can make the dorkiest human in the world the most famous. And of course, no one qualifies like our boy blunder. Soon he starts in his own "A Day in the Life" TV series, and he's endorsing everything from denture cleaners to lingerie. Every cool person in the world is dyeing their hair and wearing glasses just like Wally McDoogie, but it isn't until he becomes the star player for his junior high school basketball team that things get really out of hand, and our hero finally learns that being famous isn't all it's cut out to be.
