Religion on Campus

Conrad Cherry, Betty A. DeBerg, Amanda Porterfield

Religion on Campus Conrad Cherry, Betty A. DeBerg, Amanda Porterfield

The first intensive, close-up investigation of the practice and teaching of religion at American colleges and universities, *Religion on Campus* is an indispensable resource for all who want to understand what religion really means to today's undergraduates.

To explore firsthand how college students understand, practice, and learn about religion, the authors visited four very different U.S. campuses: a Roman Catholic university in the East, a state university in the West, a historically black university in the South, and a Lutheran liberal arts college in the North. They interviewed students, faculty members, and administrators; attended classes; participated in worship services; observed prayer and Bible study groups; and surveyed the general ethos of each campus. The resulting study makes fascinating and important reading for anyone--including students, parents, teachers, administrators, clergy, and scholars--concerned with the future of young Americans.

Challenging theories of the secularization of higher education and the decline of religion on campus, this book reveals that both the practice and the study of religion are thriving, nourished by a campus culture of diversity, tolerance, and choice.

From reader reviews:

Gail Kernan:

Book is to be different for every grade. Book for children right up until adult are different content. To be sure that book is very important for us. The book Religion on Campus seemed to be making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The reserve Religion on Campus is not only giving you more new information but also to become your friend when you experience bored. You can spend your own personal spend time to read your reserve. Try to make relationship together with the book Religion on Campus. You never really feel lose out for everything when you read some books.

Lorraine Prinz:

Do you one of people who can't read satisfying if the sentence chained from the straightway, hold on guys this kind of aren't like that. This Religion on Campus book is readable through you who hate those straight word style. You will find the info here are arrange for enjoyable looking at experience without leaving even decrease the knowledge that want to deliver to you. The writer connected with Religion on Campus content conveys the thought easily to understand by a lot of people. The printed and e-book are not different in the articles but it just different available as it. So , do you nonetheless thinking Religion on Campus is not loveable to be your top listing reading book?

Julia Sullivan:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Religion on Campus can make you really feel more interested to read.

Kimberly Morris:

Reading a reserve make you to get more knowledge from the jawhorse. You can take knowledge and information from the book. Book is prepared or printed or descriptive from each source that will filled update of news. In this modern era like right now, many ways to get information are available for you actually. From media social like newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just seeking the Religion on Campus when you needed it?
