**One Wrong Step Could Send Her Over the Edge**

All Penny has ever wanted to do is dance—and when that chance is taken from her, it pushes her to the brink of despair, from which she might never return. When she wakes up after a traumatic fall, bruised and battered but miraculously alive, Penny must confront the memories that have haunted her for years, using her love of movement to pick up the pieces of her shattered life.

Kathryn Craft's lyrical debut novel is a masterful portrayal of a young woman trying to come to terms with her body and the artistic world that has repeatedly rejected her. *The Art of Falling* expresses the beauty of movement, the stasis of despair, and the unlimited possibilities that come with a new beginning.
