The Question of Miracles Elana K. Arnold

Sixth-grader Iris Abernathy hates life in Corvallis, Oregon, where her family just moved. It's always raining, and everything is so *wet*. Besides, nothing has felt right since Iris's best friend, Sarah, died.

When Iris meets Boris, an awkward mouth-breather with a know-it-all personality, she's not looking to make a new friend, but it beats eating lunch alone. Then she learns that Boris's very existence is a medical mystery, maybe even a miracle, and Iris starts to wonder why some people get miracles and others don't. And if one miracle is possible, can another one be too? Can she possibly communicate with Sarah again?

From reader reviews:

Shirley Joy:

Have you spare time to get a day? What do you do when you have far more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent their particular spare time to take a stroll, shopping, or went to the particular Mall. How about open or perhaps read a book titled The Question of Miracles? Maybe it is being best activity for you. You understand beside you can spend your time along with your favorite's book, you can cleverer than before. Do you agree with it has the opinion or you have additional opinion?

Crystal Scott:

As people who live in typically the modest era should be upgrade about what going on or information even knowledge to make these individuals keep up with the era which can be always change and move ahead. Some of you maybe will update themselves by examining books. It is a good choice for you but the problems coming to anyone is you don't know which you should start with. This The Question of Miracles is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Lucille Davis:

Playing with family in the park, coming to see the marine world or hanging out with close friends is thing that usually you have done when you have spare time, subsequently why you don't try point that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The Question of Miracles, you may enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't get it, oh come on its known as reading friends.

Mandi Rice:

Many people spending their time frame by playing outside having friends, fun activity with family or just watching TV all day long. You can have new activity to pay your whole day by looking at a book. Ugh, think reading a book really can hard because you have to use the book everywhere? It okay you can have the e-book, having everywhere you want in your Touch screen phone. Like The Question of Miracles which is having the e-book version. So , why not try out this book? Let's observe.
