**The Ride Together: A Brother and Sister's Memoir of Autism in the Fam** Paul Karasik, Judy Karasik  
*We looked like a cup of human fruit cocktail dumped onto the top of the house, each piece different but all out of the same can.*

So begins a book unlike any other, half comics and half text, about a family that lives with autism -- and the strange life that is ordinary to them.

The oldest son, David, recites Superman episodes as he walks around the living room. A late-night family poker game spirals into a fog-driven duel. A thug from an old black-and-white rerun crawls out of the television. A housekeeper transforms into an avenging angel. A broken plate signals a terrible change in the family that none of them can prevent...until it's too late.

This groundbreaking work was excerpted in *The New York Times* for its ability to honestly, eloquently, and respectfully set forth what life is like with autism in the family. What sets *The Ride Together* apart is its combination of imagination and realism -- its vision of a family's inner world -- with David at the center.
