Clark Gable, in Pictures: Candid Images of the Actor's Life Chrystopher J. Spicer

From the very beginning of Clark Gable's screen career, the life of the glamorous film star came under the scrutiny of the camera. While audiences are familiar with the public Gable as seen through the studio lens, the private Gable as seen in photos taken by members of the public, friends, and family is much less known. This collection of candid photographs, many of them published here for the first time, has been compiled by biographer Chrystopher J. Spicer from his archives and from sources around the world. As with Spicer's acclaimed centenary biography *Clark Gable* (McFarland, 2002), this volume provides rare insight into the life of the man behind the star.
