Milbrey McLaughlin, Rebecca A. London

*From Data to Action* is a welcome guide for leaders who are looking for ways to archive and analyze data from schools and agencies across their communities to improve policy making and programs for children and teens.

Editors Milbrey McLaughlin and Rebecca A. London bring together participants of the Youth Data Archive at Stanford University. The participants describe its unique effort to overcome legal and other hurdles in blazing a new path for the more productive use of cross-agency data. The chapters give detailed background on how the archive was built and how its findings have led to improvements in services, particularly for children at risk.
