**To love, honor and...protect**

Alain de Banewulf may have triumphed by the strength of his sword during the Crusades, and returned home steeped in glory, but he needs to prove to himself that his skills as a knight lie beyond the battlefield.

Alain's life is set to change when he rescues Katherine of Grunwald from brigands. For Katherine is carrying a treasure desired by all of Christendom—one that men will kill for—and Alain has sworn to protect her from the perils that lie ahead. With Katherine's help, perhaps Alain will come to realize that his honor depends not only on his bravery in the face of battle, but also on the strength of his love for one woman.
