Marked Joely Skye

Marked as prey, Alec refuses to fall for a werewolf. Until he's forced to turn to Liam for protection. Alec Ryerson carries a scar over his heart and scars on his psyche, ugly reminders of a nightmare that still doesn't seem quite real. Even a year later, he stays inside on full-moon nights and avoids most people until he meets the strange and beautiful Liam. Liam feels an undeniable pull toward Alec. However Liam is a werewolf; Alec is a human who clearly has trepidations about a relationship. Then Liam discovers he is not the first werewolf Alec has encountered. Alec has been marked for death by the murderous "quad," a group of twisted werewolves who prey on humans. Now the quad's sights are set on recruiting Liam's eight-year-old brother into their murderous pack. Liam will do everything in his power to protect both his brother and Alec from the wolves, even if it means calling in favors and killing those with whom he once ran. Because Alec, like it or not, is Liam's chosen mate.
