The Address Of Happiness David Paul Kirkpatrick

In this profound and enchanting story, former Paramount Pictures President David Paul Kirkpatrick gives voice to our deepest beliefs about the power of love. With a dramatic and heartbreaking opening sequence, two souls commit to one another moments before birth. Awakening into a place known as earth, the pre-ordained lovers go to extraordinary lengths in their search to reconnect with the love of their lives.

Guided by a holy music, these tender, living souls touch and fall in love -- all over again. Their earthly and romantic journey towards one another is filled with magic as they grow up, meet, marry, have children and become old together.

An unexpected and miraculous story, *Address* embraces all our hopes for finding someone special, for having a love that is everlasting. Kirkpatrick renews our faith in destiny and the timeless ability of lovers to find one another, no matter where in the universe that search may lead. One only needs *The Address of Happiness*.
