Downloading this FREE release by 12 a.m. PT on January 1, 2013 will entitle you to receive a unique code that can be redeemed within the free-to-play (F2P) online video game HAWKEN, good for 2000 Hawken Credits of in-game currency that can be used to buy items, upgrades, and accessories. This unique code will be emailed to you after January 1st, during the first week of 2013 to the email address associated with your comiXology account.

On the distant world of Illal, corporate rivalry turns to warfare as secret technologies are discovered, coveted, and stolen. Mega-planetary corporate empires, SENTIUM and PROSK, each seek to out-jockey each other in the race for technical superiority in the marketplace, but when the value of that superiority eclipses the cost of human life, no degree of diplomacy can bridge the gap. Now, with the discovery of a revolutionary new geological element, both sides fight tooth and nail for the materials that will keep them one step ahead of the other in an escalating arms race that will - unbeknownst to all - lead to the ruin of the planet?

In this second of four preview releases, exclusive to comiXology, writer Jeremy Barlow (Mass Effect, Star Wars) and artist Bagus Hutomo (Shrapnel, Heavy Metal) bring you "CAT AND MOUSE", lettered by Deron Bennet (Tale of Sand, The Dark Crystal).

From reader reviews:

Frank Hegarty:

What do you ponder on book? It is just for students since they are still students or it for all people in the world, the particular best subject for that? Only you can be answered for that concern above. Every person has different personality and hobby for every single other. Don't to be compelled someone or something that they don't want do that. You must know how great as well as important the book Hawken: Genesis #2. All type of book can you see on many solutions. You can look for the internet methods or other social media.

Harry Anderson:

This book untitled Hawken: Genesis #2 to be one of several books this best seller in this year, here is because when you read this guide you can get a lot of benefit into it. You will easily to buy that book in the book retail store or you can order it by way of online. The publisher of this book sells the e-book too. It makes you quicker to read this book, since you can read this book in your Mobile phone. So there is no reason for your requirements to past this publication from your list.

Lloyd Lake:

Hawken: Genesis #2 can be one of your nice books that are good idea. We all recommend that straight away because this e-book has good vocabulary that will increase your knowledge in vocabulary, easy to understand, bit entertaining but delivering the information. The copy writer giving his/her effort to place every word into delight arrangement in writing Hawken: Genesis #2 but doesn't forget the main stage, giving the reader the hottest along with based confirm resource facts that maybe you can be certainly one of it. This great information can easily drawn you into completely new stage of crucial thinking.

William McCown:

This Hawken: Genesis #2 is great guide for you because the content and that is full of information for you who all always deal with world and also have to make decision every minute. This book reveal it details accurately using great plan word or we can declare no rambling sentences in it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but difficult core information with wonderful delivering sentences. Having Hawken: Genesis #2 in your hand like keeping the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world within ten or fifteen tiny right but this e-book already do that. So , this really is good reading book. Hey Mr. and Mrs. busy do you still doubt in which?
