## Introduction to the Synoptic Gospels Pheme Perkins

In this book respected New Testament scholar Pheme Perkins delivers a clear, fresh, informed introduction to the earliest written accounts of Jesus — Matthew, Mark, and Luke — situating those canonical Gospels within the wider world of oral storytelling and literary production of the first and second centuries. Cutting through the media confusion over new Gospel finds, Perkins's *Introduction to the Synoptic Gospels* presents a balanced, responsible look at how the Gospels of Matthew, Mark, and Luke came to be and what they mean.
