Love in the Gospel of John: An Exegetical, Theological, and Literary Study Francis J. Moloney SDB

"Francis J. Moloney is one of the most distinguished Catholic scholars of John's Gospel in the English-speaking world today. In his latest work on the Fourth Gospel, he displays his fine gifts as an able teacher. Having absorbed a vast amount of literature on the topic of love in John's Gospel, he presents his own argument in a clear, orderly form that even the uninitiated can grasp."

--**John P. Meier**, University of Notre Dame

"Francis Moloney is well known for his narrative commentaries on the Gospel of John. In *Love in the Gospel of John*, he uses his understanding of narrative to explore and interpret the theology of the Gospel. He sees that John tells the story of Jesus as the story of God, who, for love of the world, gave his Son to save the world, and argues that this reality is integral to the Gospel and the source of Jesus' command to 'love one another as I have loved you.' Readers interested in John will want to read this book."

--**John Painter**, School of Theology, Charles Sturt University

"Decades of study of the Fourth Gospel have uniquely qualified Frank Moloney to write this book about love in the Gospel of John. What he has written is a story of God's love for the world, manifest in Jesus' love for his own until the end and proclaimed in the Gospel according to John. The evangelist's story has all the twists and turns of any real love story. Moloney sheds light on these several twists and turns as only he, among contemporary English-language scholars, can do."

--**Raymond F. Collins**, Brown University

"What better way to crown a lifetime of research and writing on the Gospel of John than to produce a book on its major theme of love! Francis Moloney, one of the world's leading experts on the Gospel, has brought to bear his keen analysis of the text and vast knowledge of the secondary literature in this comprehensive study. Moloney not only illuminatingly treats God's love for the world in the giving of the Son, the love commandment, and the Beloved Disciple but also embeds the discussion of such topics in the developing narrative as it moves towards Jesus' hour of glory. In showing how love pervades this Gospel and is integrally related to its other major themes, Moloney's engaging book is bound to become indispensable reading for all students of John's Gospel and its theology."

--**Andrew T. Lincoln**, University of Gloucestershire
