A comprehensive pocket guide for clinicians and residents, the Oxford American Handbook of Gastroenterology and Hepatology provides authoritative guidance and up-to-date information on the field. The Handbook gives thorough coverage of both diagnosis and therapy, includes an easy-to-reference emergency section, and maintains a focus on practical disease management. The book's anatomically organized sections are supplemented by special sections on management of GI emergencies and the "Top 10 GI Problems," including pertinent algorithms and practice guidelines. Useful appendices provide images of common GI problems and links to websites.
